The Best A/B Test

VS

Be simple. Be direct. Answer “What?”

Amazon Echo is a hands-free speaker you control with your voice. Echo connects to the Alexa Voice Service to play music, provide information, news, sports scores, weather, and more—instantly. All you have to do is ask.

Why?

iPad Pro is more than the next generation of iPad — it's an uncompromising vision of personal computing for the modern world. It puts incredible power that leaps past most portable PCs at your fingertips. It makes even complex work as natural as touching, swiping, or writing with a pencil. And whether you choose the 12.9-inch model or the 9.7-inch model, iPad Pro is more capable, versatile, and portable than anything that's come before. In a word, super.

A man in a black athletic suit is performing a battle rope exercise in a gym. He is in a low, powerful stance, holding the handles of a thick, black battle rope with both hands. The background shows a wooden wall and metal structural elements of the gym. The overall scene is dynamic and emphasizes physical fitness.
